In order to accept any deer for processing....The skinning fee & processing fee must be paid in full. The deer will be processed within 7-10 days and expected to be picked up within 3 business days of that phone call. Sausage will be completed in January /February...we expect payment for sausage upon completion.

WildLife Code #3CSR10-4.140

Deer left for processing at any commercial processing plant shall be claimed by the owner by May 1 following the season when taken. All commercially processed deer not claimed and picked up by May 1 shall be considered abandoned.
